PUPIL PARLIAMENT 2023-24

THE ST. BART'S  
ACADEMY  
— TRUST —

We have a **passion** for releasing potential in all our children and staff through the **encouragement** and development of **ambition**, aspiration and excellence in all aspects of our work. Our commitment is to place children at the centre of everything we do. Working in **collaboration**, we strive to provide the highest quality of educational experience and outcomes for our young people in an inclusive environment. Through the **enjoyment** of learning, we live life together in all its fullness through **PEACE**

Article 12 of the United Nations Convention on the Rights of the Child (UNCRC) says that children and young people should have a say in decisions that affect their lives. Pupil parliament provides a meaningful way in which pupils from across the MAT can voice their opinions and have their views taken into account in decisions which impact upon them whilst teaching our young people about democracy, local and global citizenship and accountability.

As such, our pupil parliament will exemplify our vision and core values.

**P** – Pupil voice counts at SBMAT.

**E** – We want to **Empower** our pupils and to develop their ability to make change,

**A** – whiles developing confidence and assertiveness,

**C** – learning about negotiation and **collaboration**

**E** – and understanding that **everyone's** view is important including their own

## SUSTAINABLE DEVELOPMENT GOALS

Our focus as a Pupil Parliament will be on the United Nations sustainable development goals.

During the 2023-2024 academic year, our members of pupil parliament (MP's) will focus on 3 key themes based on the UN sustainable development goals. Their views will feed into the SBMAT sustainability plan.
